

Application for Approved Individual status

This form must be submitted by an applicant company or an Authorised Person¹ applying for Approved Individual status for an individual who is to carry out one or more Controlled Functions, as defined in the rules 2.2.2-2.2.5 of AIFC General Rules (GEN).

Before submitting an application to the AFSA, the applicant company or Authorised Person must make all reasonable enquires as to the individual's fitness and propriety to carry out the relevant Controlled Functions.

In some cases the AFSA may require additional information in order to complete the processing of this application. If this is necessary the AFSA will contact the person identified as the company's relevant contact to obtain such additional information.

¹ Terms defined in the Glossary (GLO) or the glossary sections in the Rules are identified by the capitalisation of the initial letter of a word or of each word in a phrase, unless the context otherwise requires the word to have its natural meaning.

Notes for completing this form

Unless otherwise specified, the term “applicant” refers to the individual for whom Approved Individual status is being sought.

Unless otherwise specified, the terms “applicant firm” and “Authorised Person” refer to the company on whose behalf the applicant will be carrying out the Controlled Functions.

We² occasionally refer to various Rules, sections, or chapters which make up the AIFC Rules. However, these references are provided only as a guide and are not an exhaustive list of the Rules that may be applicable to your situation. It is your responsibility to research any Rules that might be pertinent to your application.

Do not leave any response-cells empty. If it is more appropriate to answer certain questions in an attachment then indicate in the cell that this is the case. If you are confident that you have answered a particular question in another form or attachment then make an unequivocal reference to that response.

As a matter of good practice, and to avoid any confusion, words and terms that are defined in GLO should have their first letter in upper-case.

Ensure that you are using the latest version of this application form. AFSA will only accept out-of-date forms if they are submitted within one month of the latest version available on our website.

You are advised to retain a copy of the form and all relevant attachments for the records.

² The terms “we” and “our” refer to the AFSA. The terms “you” and “your” as used throughout are not implied in the personal sense, but rather refer to the applicant.
