AIFC GENERAL RULES

Guidance: Purpose of this rulebook

The purpose of this rulebook, “GEN”, is to complement the regulatory framework established by the Financial Services Framework Regulations (“the Framework Regulations”).

- GEN 1.1 complements Part 3, Chapter 1 of the Framework Regulations by describing the process of application for a Licence to carry on Regulated Activities (i.e. to become an Authorised Firm) and the criteria that the AFSA will apply in considering an application.
- GEN 1.2 complements Part 3, Chapter 2 of the Framework Regulations by describing the process of application for a Licence to carry on Market Activities (i.e. to become an Authorised Market Institution) and the criteria that the AFSA will apply in considering an application.
- GEN 1.3 contains an application process for a Licence to carry on Ancillary Services (i.e. to become an Ancillary Service Provider) and the criteria that the AFSA will apply in considering an application.
- GEN 2 creates two categories of employees who attract regulatory attention. Approved Individuals occupy the most critical roles in an Authorised Person, which are referred to as “Controlled Functions”. GEN 2.1 identifies a number of roles that an Authorised Person must fill. Their appointment requires the approval of the AFSA. Designated Individuals occupy less critical roles, referred to as “Designated Functions”, and do not require AFSA approval, but may only be appointed by an Authorised Person after it has applied a fit and proper test.
- GEN 3 contains rules restricting the circumstances in which significant shareholders in an Authorised Person may change.
- GEN 4 contains two sets of core principles. The first are applicable to Authorised Persons, the second to Approved Individuals and Designated Individuals.
- GEN 5 contains the key System and Controls requirements that apply to all Authorised Persons.
- GEN 6 complements Part 8 of the Framework Regulations (Supervision of Authorised Persons). The chapter begins with guidance setting out a non-exhaustive list of the circumstances in which the AFSA is likely to exercise the supervisory powers granted to it by sections 96 to 101 of the Framework Regulations. GEN 6.1 adds details to section 97 of the Framework Regulations which gives the AFSA the power to require an Authorised Person to provide it with a report on a specified matter. GEN 6.2 identifies a large number of instances in which an Authorised Person is obliged to make a notification to the AFSA. Finally GEN 6.3 contains requirements relating to accounting and auditors, including requirements to prepare financial reports, keep accounting records, make certain notifications to the AFSA and cooperate with an auditor.

6.2.4. Major Acquisitions

- (1) A Bank as defined in BBR Rules, which makes or proposes to make a Major Acquisition as defined in (2) must:

 - (b) if it is a Branch, comply with the requirements in Rule 6.2.4 (7) of GEN rules.
- (2) Subject to (3), a Major Acquisition is an acquisition in which the relevant Bank acquires or proposes to acquire, directly or indirectly, a shareholding in a Body Corporate where that acquisition:
 - (a) is of a value (whether by one acquisition or a series of acquisitions) of 10% or more of:
 - (i) the Bank's Capital, as defined in BBR Rules; or
 - (ii) the capital resources of the Bank calculated in accordance with the requirements of the Financial Services Regulator in its home jurisdiction, if it is operating as a Branch in the AIFC; or
 - (b) even if it does not exceed the 10% threshold referred to in (a), it is reasonably likely to have a significant regulatory impact on the Bank's activities.
- (3) An acquisition is not a Major Acquisition for the purposes of (2) if it is an investment made by a Bank:
 - (a) in accordance with the terms of a contract entered into by the Bank as an incidental part of its ordinary business; or

AIFC GENERAL RULES

- (b) as a routine transaction for managing the Bank's own investment portfolio and therefore can reasonably be regarded as made for a purpose other than acquiring management or control of a Body Corporate either directly or indirectly.

Guidance

- (1) Examples of the kind of investments referred to in Rule 6.2.4(2)(b) include an acquisition of a stake in a small specialised trading firm that engages in high risk trades or other activities that could pose a reputational risk to the Bank.
 - (2) The onus is on a Bank proposing to make an acquisition to consider whether it qualifies as a Major Acquisition under Rule 6.2.4(2)(b). Generally, in the case of a Bank that is operating as a Branch in the AIFC, the significant regulatory impact referred to in Rule 6.2.4 (2) (b) should be prudential risk to the Bank as a whole. If a Bank is uncertain about whether or not a proposed acquisition qualifies as a Major Acquisition under Rule 6.2.4 (2)(b), the Bank may seek guidance from the AFSA.
 - (3) Examples of contractual arrangements of the kind referred to in Rule 6.2.4 (3)(a) include enforcement of a security interest in the securities of the investee Body Corporate or a loan workout pursuant to a loan agreement entered into between a bank and its client.
 - (4) Examples of the kind of investments referred to in Rule 6.2.4(3)(b) include temporary investments, such as investments included in the Bank's trading book or which are intended to be disposed of within a short term (e.g. within 12 months).
- (4) A Bank which is an Authorised Firm incorporated in the AIFC must:
- (a) before making a Major Acquisition:
 - (i) notify the AFSA in writing of the proposed Major Acquisition at least 45 days prior to the proposed date for effecting the Major Acquisition; and
 - (ii) provide the AFSA with all the relevant information relating to that Major Acquisition to enable the AFSA to assess the regulatory impact of the proposed Major Acquisition on the Bank; and
 - (b) not effect the proposed Major Acquisition unless:
 - (i) it has either received written advice from the AFSA that it has no objection to that Major Acquisition or has not received any written objection or request for additional information from the AFSA within 45 days after the date of the notification; and
 - (ii) if the AFSA has imposed any conditions relating to the proposed Major Acquisition, it has complied with, and has the on-going ability to comply with, the relevant conditions.
- (5) The AFSA may only object to a proposed Major Acquisition if it is of the view that the proposed Major Acquisition is reasonably likely to have a material adverse impact on the Bank's ability to comply with its applicable regulatory requirements or on the financial services industry in the AIFC as a whole. The AFSA may also impose any conditions it considers appropriate to address any concerns it may have in relation to the proposed Major Acquisition.
- (6) Without limiting the generality of its powers, the factors that the AFSA may take into account for the purposes of (2) include:
- (a) the financial and other resources available to the Bank to carry out the proposed Major Acquisition;
 - (b) the possible impact of the proposed Major Acquisition upon the Bank's resources, including its capital, both at the time of the acquisition and on an on-going basis;

AIFC GENERAL RULES

- (c) the managerial capacity of the Bank to ensure that the activities of the investee Body Corporate are conducted in a prudent and reputable manner;
- (d) the place of incorporation or domicile of the investee Body Corporate and whether or not the laws applicable to that entity are consistent with the laws applicable to the Bank. In particular, whether there are any restrictions in relation to exchange of confidential regulatory information that are likely to pose challenges to the AFSA in carrying out its supervisory duties including those relating to consolidated supervision where applicable; and
- (e) any other undue risks to the Bank or the financial services industry in the AIFC as a whole arising from the proposed Major Acquisition.

Guidance

Factors which the AFSA may take into account in assessing whether there are any undue risks arising from the proposed Major Acquisition include the size and nature of the business of the investee Body Corporate, its reputation and standing, its present and proposed management structure and the quality of management, the reporting lines and other monitoring and control mechanisms available to the Bank and the past records of the Bank relating to acquisitions of a similar nature.

- (7) A Bank which operates as a branch in the AIFC:
 - (a) notify the AFSA in writing of any Major Acquisition in accordance with the notification requirement applying to the Bank under the requirements of the Financial Services Regulator in its home jurisdiction (the home regulator); and
 - (b) if there is no notification requirement applying to the Bank under (a), comply with the requirements in Rule 6.2.4 (4) as if it were a Bank incorporated in the AIFC. The AFSA must follow the same procedures, and shall have the same powers, as set out in Rule 6.2.4 (6) in relation to such a notification.
- (8) A Bank which gives to the AFSA a notification under (7)(a) must:
 - (a) notify the AFSA of the Major Acquisition at the same time as it notifies the home regulator;
 - (b) provide to the AFSA the same information as it is required to provide to the home regulator; and
 - (c) provide to the AFSA copies of any communications it receives from the home regulator relating to the notification it has provided to the home regulator as soon as practicable upon receipt.
- (9) The AFSA may, for the purposes of the requirements in this section, require from the Bank any additional information relating to the Major Acquisition as it may consider appropriate. A Bank must provide any such additional information to the AFSA promptly.
- (10) The AFSA may, where it considers appropriate, withdraw its no objection position or modify or vary any condition it has imposed or any remedial action it has required under the Rules in this section.

Guidance

The AFSA will generally not withdraw a no objection position it has conveyed to a Bank, except in very limited circumstances. An example of such a situation is where the Bank is found to have provided to the AFSA inaccurate or incomplete information and that commission or omission has a material impact on the AFSA's no objection decision.

- (11) The procedures in Section 11 of the AIFC Financial Services Framework Regulations apply to a decision of the AFSA under this Rule 6.2.4, to object to an acquisition or to impose or vary conditions.
- (12) If the AFSA decides to exercise its power under this Rule to object to an acquisition or to impose or vary conditions, the Authorised Firm may appeal to the AIFC Court for a review of the decision.
