

QUALIFICATIONS NECESSARY FOR EMPLOYMENT IN THE AIFC

AIFC ACT NO. GR0009 OF 2017

Astana International Financial Centre, Astana

10 December 2017

Qualifications Necessary for Employment in the AIFC

1. The list of documents setting out the necessary qualifications for a foreign citizen and for a stateless person to be employed in the AIFC are specified in Schedule 1.

Schedule 1

A foreign citizen and a stateless person must satisfy the criteria in either Section A (Education) or Section B (Experience)

Section A: Education

An undergraduate degree directly relevant to the foreign citizen or to the stateless person proposed employment in the AIFC;

A qualification of equivalent standing to an undergraduate degree that is directly relevant to the foreign citizen or to the stateless person proposed employment in the AIFC.

Section B: Experience

Service of at least three years in a managerial position directly relevant to the foreign citizen or to the stateless person proposed employment in the AIFC;

Service of at least five years in a non-managerial position directly relevant to the foreign citizen or to the stateless person proposed employment in the AIFC.
